

Certificate

SANITARY APPLIANCES

Family of products: WATER

CSTB hereby certifies that the products referred to in the appendix comply with the characteristics described in the certification reference system SANITARY APPLIANCES (NF 017), in force, following an assessment performed according to the inspection procedures set out in this reference system.

By virtue of the present decision notified by CSTB, AFNOR Certification grants:

The company **RAK CERAMICS**

PO BOX 4714

AE- RAS AL KHAIMAH

Brand : **RAK CERAMICS**

the right to use the NF mark SANITARY APPLIANCES for the products covered under this decision, throughout its period of validity and under the conditions provided for in the general rules of NF mark and the above-mentioned reference system.

Decision of renewal RAKC dated 15/12/2023
This decision replaces decision RAKC dated 28/08/2023

Except in case of withdrawal, suspension or modification, this certificate is valid.

This valid certificate is available on the following Web site <http://evaluation.cstb.fr> to check its validity.

CERTIFIED CHARACTERISTICS

The products covered by the NF SANITARY APPLIANCES have the minimal characteristics required by the standards, possibly completed by the technical specifications specified in the appendix

This certificate comprises 6 pages.
